

## **MD JUCO VOLLEYBALL TEAMS TO PARTICIPATE IN DIG PINK EVENTS October 2, 2009**

Several MD JUCO volleyball teams will be participating in Dig Pink events during Breast Cancer Awareness Month during October. The Side-Out foundation is a 501.c.3 organization that is designed to unify the sport of volleyball in its mission to make a **Significant and Identifiable** fight against Breast Cancer. Over 1,000 High School and College teams will be participating in all 50 States this month. We are proud that several MD JUCO schools are among those schools helping to spread the word awareness about Breast Cancer.

The events will include volleyball matches in which teams will compete and wear pink uniforms. The objective is to "Pink Out" the gym with coaches, officials, and fans wearing pink. Several schools will have booths set up by local hospitals and breast cancer groups to distribute educational materials and collecting donations for breast cancer research.

Come out and support our MD JUCO schools in their fight against Breast Cancer.

Events scheduled to date include:

Essex at College of Southern Maryland 10/3 12 Noon  
College of Southern Maryland at Hagerstown 10/5 7 pm  
Howard at College of Southern Maryland 10/16 6 pm  
CCBC Catonsville at College of Southern Maryland 10/20 7 pm  
Potomac State College at FCC 10/21/09 7pm

The Dig Pink Initiative ([www.digpink.org](http://www.digpink.org)) is sponsored by the Side-Out Foundation ([www.side-out.org](http://www.side-out.org))
